[Description](#) [Reviews](#)

Philips Avent Natural Feeding Bottle

- Natural nipple shape and feel makes it easy for baby to combine breastfeeding with bottle feeding
- Wide breast-shaped nipple promotes a natural latch on
- Ultra soft flexible nipple mimics the feel of the breast
- Airflex valve integrated into the nipple is designed to reduce feeding issues by venting air away from your baby's tummy
- A range of flow rates are available for your growing baby. This bottle includes a Newborn flow nipple.
- BPA free
